Coach Huchles
Virginia Union
Richmond Va.

Dear Coach:

I am writing to tell you I have just received word The Eagles can train in the ball park in Richmond, and also we can use our buses in the state of Virginia.

As a result I would appreciate it very much if you will write me right back, and tell me what the cost will be for the club to have room and board at the school. There will be about 18 men, and we plan to come to camp March 26th or April 2nd. The date depends on whether or not we can arrange a game for Easter Sunday.

We will stay in camp until about May 5th. We are trying to arrange a few games around Norfolk, and if so we will be away from camp on those days, although we will probably return to sleep, we will no doubt have to eat a meal or so away. We will of course be able to let you know this plenty time in advance so you would not prepare for us.

I will appreciate a reply as early as it is possible, as the time is fast approaching, and things are a little more confused than usual as you know. Thank you for your kind cooperation.

Very Truly Yours
